Doing Things Right

Our business is family owned, and for over 50 years we have worked hard to earn our reputation for providing quality products and services at reasonable rates. We are 100% committed to this tradition, and we thank you for this opportunity to prove it.

The difference is in the details.

We can provide you with everything you need for your reception. We have an on-site wedding planner who is

available 7 days a week. She will work with you from start to finish to help plan your event. Dinner and beverage service is provided exclusively by us. There are several decoration packages through our décor director, or you have the option of decorating on your own. We also have options for photography, cake, and music service. While you are welcome to select your own vendors for these as well, we highly recommend our colleagues. Like us, they are family owned and operated. They share our commitment to quality service.

Our wedding planner and chef will meet with you to create the perfect menu for your reception. While reviewing our menu, keep in mind that chef Husnik enjoys creating customized menus, and that he can accommodate any special requests that you may have.

See for yourself...

On behalf of my family and our entire staff I want to thank you again for this opportunity. We pledge to do everything possible to make your wedding reception a memorable one.

Greg Bender,
Owner
